Enter your name: (optional) very smooth and easy Posted by Charlie J. on 10th Mar 2018 The only problem I have had with this rig is you have to get the rod wet and re-wet at least once every couple hours to get it to cast and work. Also it takes a little getting used to using it but it works well enough once you do. A must for everyone Posted by Steven J. on 11th Nov 2017 Got this on sale a couple of weeks ago and use it every day. Most of us know that monofilament is smoother but it really shines when you need it to. I fish from my kayak and casting with a 6 or 8 weight rod is great with this rig. I've cast about 3 times with a lure and it's done well. It's a must for all recreational fishermen as well as commercial anglers. Fantastic bait Posted by Mark on 4th Nov 2017 Great bait for catching trout on the east coast. Easy to setup Posted by Sean M. on 3rd Oct 2017 I bought this rig a couple of years ago when there was a big sale on with the same purchase I also bought the rod and reel. Setup is very simple with a couple of things. The

Instant Fisherman is the ultimate all-round rod and reel combination on the market today. Are you. This year, Daiwa launched two new products on the market, which, according to the developers, were supposed to become the "killers" of the recently popular Fishing Tournament family of rods. We are talking about the new line of Daiwa Instant Fisherman rods and Daiwa Instant Fisherman reels. Daiwa's new Instant Fisherman rod series aims to resurrect the popularity of the Fishing Tournament family and is designed to fill the "niche" of expensive, but not the best models in it. fffad4f19a
